

Multiple Intelligence Questions/Differentiated Instruction on the Binding of Isaac/עקידת יצחק, Genesis, Chapter 22

Intelligence	Questions	Applications
1. Interpersonal	How did Abraham or Isaac feel during the story of the Binding of Isaac? Write a skit.	Dramatically read the story, or write your own skit.
2. Kinesthetic	What was the look on Abraham's or Isaac's faces during the walk to Mt. Moriah? During the Binding of Isaac? During the angel speaking?	Pantomime the story.
3. Linguistic	Analyze the language and feelings expressed in the story.	Diary or journal log the story from Isaac's or Abraham's point of view.
4. Logical-Mathematical	How many times does...the phrase 'And they walked the two of them together' appear? the word 'Hineni' appear?	Graph key words and phrases. Compare and contrast to other mentions of the word in the Bible. Sequence events.
5. Intra-personal	How does this apply to my life? When did this happen to me?	
6. Musical	What kind of background music would be playing throughout this story?	Compose or bring in appropriate stanzas for the opening, middle climactic and ending stages.
7. Visual - Spatial	How can I see what happened?	Comic strip, storyboard, illustrations, before and after scenes.

General Tips:

- Pair students in groups or partners often.
- See yourself as the captain of the ship instead of the gorilla in the classroom.
- Use rubrics and guidelines.
- Let MI projects replace or enhance standard tests.
